LANTANA GOLF CLUB · LANTANA, TEXAS

WELCOME TO THE 2026 MEMBER / MEMBER

A WORD FROM THE PRO

On behalf of the entire Lantana Golf Staff and the Lantana Men's Golf Association, welcome to the 2026 Member / Member Tournament. Our goal is to provide an outstanding test of golf while continuing the traditions of camaraderie, competition, and fun that make this event special each year. If there is anything we can do to make your experience more enjoyable throughout the weekend, please do not hesitate to let us know.

We appreciate your participation and wish you the best of luck.

Respectfully,

Lantana Professional Golf Staff

A MESSAGE FROM YOUR MGA BOARD

Welcome to the 2026 Member / Member! We are looking forward to a full field this weekend, with 132 players competing across what should be one of the strongest Member / Member fields we have had at Lantana. Between the size of the field, the format, the Calcutta, and the Shootout, the weekend should deliver exactly what this event is intended to be: competitive golf, great camaraderie, and a first-class MGA experience.

Before getting into the weekend's events, the MGA Board and I want to give a special thank you to our sponsors. Their support has already had a meaningful impact on the MGA and has directly elevated this tournament. These are members and businesses that believe in the club and chose to invest in the experience you are about to have this weekend.

Because of their support, we were able to enhance the event in ways that directly benefit the players, including the Titleist / FootJoy tee gift, expanded on-course beverage stations, and other event improvements throughout the weekend. That level of value does not happen without people and businesses stepping up to support the MGA. When you see our sponsors this weekend, please take a moment to thank them personally. Better yet, give them the opportunity to earn your business.

The MGA was also recently informed that the bunker project has begun on the course. We will work with the Golf Staff to communicate any relevant course condition updates, affected areas, and relief procedures before play. Players should also note that carts will be permitted off the cart paths this weekend. Please continue to use good judgment around bunker construction areas, wet areas, roped-off areas, and any marked Ground Under Repair.

We also ask everyone to help make the weekend run smoothly. With a full field and 27 holes scheduled on Saturday, pace of play will be critical. Please stay aware of your group's position on the course, keep pace with the match ahead, and help avoid unnecessary delays between shots, holes, and matches. A successful event requires cooperation from the entire field.

Thank you again for participating and supporting the MGA. We are excited for a great weekend and look forward to seeing everyone compete.

TEE GIFTS

Each player will receive a $250 gift card to Titleist/FootJoy as the tee gift for the event. This lines up with the timing of the new Titleist GTS driver release and gives each player flexibility to use the credit toward equipment, shoes, apparel, or other Titleist/FootJoy products. The tee gift amount is equal to the entry fee for the event, which is only possible because of the support from our sponsors. Their involvement allows us to return meaningful value directly to the field while still enhancing the overall event experience.

BEVERAGE STATIONS

We will have four beverage stations on the course each day. Each station will include a mix of:

- Liquor
- Canned beer (we learned our lesson)
- Lucky One Lemonade
- Gatorade
- Water
- Other non-alcoholic selections

Each player will be limited to one complimentary beverage per station. Additional beverages may be purchased separately by the player.

Between the $250 Titleist/FootJoy gift card and the on-course beverages, the goal is to make sure members are receiving strong value while also continuing to improve the quality of MGA events.

PACE OF PLAY

With a full field of 132 players and 27 holes of golf on Day One, pace of play will be critical to the success of the event. We need everyone's help keeping the field moving.

Marshals will be on the course, and penalty strokes will be assessed to groups that fall out of position. A group may be considered out of position if it falls behind the pace set by the Golf Staff or loses contact with the group in front of it.

To help support pace of play:

- Be ready when it's your turn to hit
- Keep up with the group in front of you

- Pick up once your score can no longer help your team in the match, unless the hole is part of your Lantana Cup or Denton County Shootout qualifying nine. For qualifying holes, players should complete the hole unless otherwise directed by the Golf Staff or Rules Committee.
- On par 5s, allow players to hit up to the green on their second shots when appropriate
- Move efficiently between shots, greens, and tee boxes
- Pins and tees will also be set with pace of play in mind

MEMBER / MEMBER FORMAT

This is a two-man net match play event. Teams will compete in five nine-hole matches in a round-robin format against the other teams within their flight. There will be an optional $100 /team cash skins game. Cash will be collected prior to play on Saturday. Skins will be split into two pools based on final flighting, with the top half of flights in one pool and the bottom half of flights in the other.

POINT SYSTEM

Each match is worth two (2) points.

- A match victory awards 2 points
- A tied match awards each team 1 point
- Teams earn an additional 0.1 points for each extra hole won beyond the margin of victory (maximum 2.4 points total)

Examples

- A match ending 5–4 awards the winning team 2.0 points
- A match ending 6–3 awards the winning team 2.1 points

FLIGHTING

- Flights are determined using the combined playing handicaps of both team members.
- Players will compete using 100% of their playing handicaps.

10-SHOT DIFFERENTIAL RULE

- This event maintains a maximum 10-shot differential between partners.

- If teammates are separated by more than 10 strokes in their playing handicaps, the higher-handicap player's handicap will be reduced to within 10 shots of their partner.

TEES

- For this event and all 2026 MGA events, players will compete from the tee set where at least 70% (14 of the last 20 rounds) of their posted rounds at Lantana were played.

This includes all tee options on the Lantana scorecard:

- Black
- Lantana Tees
- Blue
- Members
- White
- Red

Tee assignments will be made automatically using this criteria. Players without 20 posted rounds at Lantana will default to the Blue Tees.

LANTANA CUP AND DENTON COUNTY SHOOTOUT QUALIFYING

For scoring purposes, each player's first 9 holes and final 9 holes will count toward the Lantana Cup and Denton County Shootout standings.

RULES OF PLAY

USGA Rules govern play except as modified by the following local rules.

COURSE CONDITIONS / BUNKER PROJECT

The MGA was recently informed that the bunker project has begun on the course. We understand this may impact certain areas of play during the Member / Member, and the MGA will work with the Golf Staff to communicate any relevant updates before and during the event.

Certain bunkers and surrounding areas may be marked as Ground Under Repair throughout the weekend. Players should follow all course markings and Golf Staff instructions regarding bunkers, construction areas, and relief procedures.

Carts will be permitted off the cart paths this weekend unless otherwise communicated by the Golf Staff. Players should avoid bunker construction areas, marked Ground Under Repair, roped-off areas, wet areas, and any other areas identified by the Golf Staff.

PACE OF PLAY & LOST BALL

- Players are allotted a maximum of three (3) minutes to search for a lost ball.

- If there is doubt regarding whether a ball may be found, players are encouraged to play a provisional ball to maintain pace of play.

CLUB LIMIT

- The 14-club limit is in effect.

COURSE MARKINGS / OUT OF BOUNDS

Areas circled or outlined in white paint within the general area are designated as Ground Under Repair. White stakes and/or white boundary lines marking the edge of course property define Out of Bounds.

PENALTY AREAS

- All water hazards are played as red penalty areas unless otherwise marked.
- Holes #8 and #15 are designated as yellow penalty areas and include designated drop zones.

EMBEDDED BALL

- The embedded ball rule applies only to closely mown areas.

SUSPENSION OF PLAY

- In the event of dangerous weather conditions, play will be suspended immediately upon hearing three long horn blasts.
- Players should discontinue play immediately and seek shelter.
- Members of the golf staff will be on the course to assist and provide direction.

RULES QUESTIONS

- If a rules situation arises and a Rules Committee member is unavailable, teams should make a reasonable decision based on the Rules of Golf and continue play.

GROUND UNDER REPAIR

- Ground Under Repair areas, including any affected bunkers or bunker construction areas, will be communicated by the Golf Staff before play. Players should follow all course markings and Golf Staff instructions regarding relief procedures.

RULES COMMITTEE

- Jamie Davison

FRIDAY NIGHT (CALCUTTA) LIGHTS

- Each team in the field will be auctioned during the Friday Night Calcutta.
- The Calcutta begins at 6:30 PM.
- There will be no pre-buy option.
- Opening bid for each team: $500
- Bidding increments: $100
- Bring cash; no ATMs will be onsite

CALCUTTA PAYOUTS

The Calcutta will pay out the top three finishing teams per flight in a 60/30/10 format. Prior to payout, 10% of the total Calcutta pool is allocated to the Lantana MGA for distribution toward Lantana Cup and the Denton County Shootout, as has been the tradition. Payouts will be made in cash following conclusion of play Sunday. All ties will result in prize money being split equally among the tied teams.

All winning bids must be paid in cash immediately following your purchase. Teams that do not purchase themselves may buy back one-half (1/2) of their team from the winning bidder before play begins Saturday.

SHOOTOUT

The top team from each flight will advance to the Shootout, joined by two Wild Card teams. For 2026, the Shootout field will include **13 total teams**, consisting of **11 flight winners** and **two Wild Card teams**.

Flight winners and Wild Card teams will be determined by combined point totals across both days. The two Wild Card teams will be awarded to the two non-flight-winning teams with the highest combined point totals across both days.

In the event of a tie for either a flight winner or Wild Card position, the first tiebreaker will be head-to-head results, if applicable. For Wild Card ties where head-to-head does not apply, the first applicable tiebreaker will be most Day One points, followed by most Day Two points. If a tie still remains, the tied teams will participate in a chip-off.

The Shootout will begin on Hole 15 and continue hole by hole through Hole 18, where the overall Member / Member Champion will be determined. The Shootout will be played in an alternate shot format. Strokes will remain in effect, and teams will play from the same tees they played during the event.

Hole	Teams Starting Hole	Teams Eliminated	Teams Advancing
15	13	4	9
16	9	5	4
17	4	2	2
18	2	1	**Champion**

On each hole, all remaining teams will play the hole. The team or teams with the highest net score will be eliminated until the required number of teams advance. In the event of a tie for elimination, the tied teams will participate in a chip-off on that hole, with the team finishing furthest from the pin eliminated before play continues.

The two remaining teams will play Hole 18 head-to-head for the overall Member / Member Championship. The Shootout-winning team will receive **$1,000 cash**.
